U.S. Postal Service Priority Mail parcel bearing label no. 9505511167982126878184 addressed to Donte Smith, 733 Rosswell Ave. Apt. A, Steubenville, OH 43952 return address Jerry Green, 13034 S. Hombre, Bleu Island, IL 60406

Case No. 2:22-mj-318

MAGISTRATE JUDGE
KIMBERY A. JOLSON

Affidavit in Support of Application for Search Warrant

I, BRYON GREEN, DO HEREBY DEPOSE AND SAY:

1. I am a United States Postal Inspector and have been so employed since October 2006, presently assigned at Cleveland, Ohio to investigate Prohibited Mailing offenses. I have received training in the detection and investigation of prohibited mailing offenses. I have worked U.S. Postal Service related investigations for approximately 15 years, during which time I have been the case agent for investigations leading to prosecution in U. S. District Court, as well as state courts.
2. I know from my training and experience, and the training and experience of other Postal Inspectors, I am aware the U.S. Mail is often used by drug traffickers to transport controlled substances as well as U.S. currency derived from their illicit activities, either as proceeds and/or payment. I know from my training and experience the Priority Mail system is commonly used to transport controlled substances and associated currency because Priority Mail provides traceability, reliability, and timely delivery. The guaranteed delivery timeframe of Priority Mail places time pressures on law enforcement agents to identify, search, and deliver these drug parcels in a timely manner.
3. As a result of past investigations and prosecutions, the Postal Inspection Service has determined that a number of indicators can be used to identify packages containing contraband that have been entered into the Priority Mail network. Inspectors routinely review shipment documents and Priority Mail packages originating from or destined to drug source areas, to identify instances where there is a possibility of drug trafficking.
4. On May 9, 2022, your Affiant identified in Postal Service databases U.S. Postal Service Priority Mail parcel bearing label no. 9505511167982126878184 addressed to Donte Smith, 733 Rosswell Ave. Apt. A, Steubenville, OH 43952 return address Jerry Green, 13034 S. Hombre, Bleu Island, IL 60406, which was believed to contain narcotics, in violation of Title 21, United States Code, Sections 841(a)(1) (distribution and possession with intent to distribute a controlled substance) and 843(b) (illegal use of mail in furtherance of narcotics trafficking). Your Affiant identified this as a suspected drug parcel based on several characteristics, including but not limited to type of mail, origin, destination, label, postage, and size.

5. The subject parcel is further described as a white, U.S. Postal Service Priority Mail flat rate box, weighing approximately 1 pound 9.5 ounces, and bearing \$10.70 in U.S. Postage. The subject parcel was mailed on May 6, 2022, from the Matteson, IL Post Office, 60443.
6. Your affiant ran the recipient addresses in CLEAR, an electronic database that has proven reliable in previous investigations in determining the legitimacy of name, address, and phone number information and was unable to associate Donte Smith at 733 Rosswell Ave. Apt. A, Steubenville, OH 43952 or Jerry Green at 13034 S. Hombre, Bleu Island, IL 60406 in Clear.
7. Your affiant knows that in the past, drug traffickers have used legitimate addresses belonging to others for the sender/return address and/or not listing a recipient name in an attempt to legitimize and distance themselves from the shipment in the event that the parcel is seized by law enforcement officers.
8. Your Affiant knows from training and experience that individuals who regularly handle controlled substances often leave the scent of controlled substances, for which narcotic-sniffing canines are trained to indicate alert, on the box, contents of the box, and/or other packaging material they handle.
9. On May 9, 2022, the subject parcel was subjected to "Puma", a narcotic detection canine handled by Sgt. R. Cook of the Steubenville, Ohio Police Department, at the Jefferson County Drug Task Force Office in Steubenville, Ohio. The subject parcel was placed in a lineup of empty boxes. Puma gave a positive alert on the subject parcel. According to Sgt. Cook, this positive alert meant Puma detected the odor of an illegal drug emanating from the parcel.
10. Sgt. Cook has been State Certified as a Narcotics Canine handler since November 2014 and a Police K9 evaluator since October 2018. Sgt. Cook and narcotics canine Puma have worked together since April 15, 2021. Sgt. Cook and canine Puma were both certified on April 15, 2022 by the Ohio Peace Officers Training Academy (OPOTA). Sgt. Cook and canine Puma have both completed 160 hours of a state-certified training program at Tri State Canine Services in Warren, Ohio. During this time, Puma was trained and certified to alert to the presence of the odors from marijuana, cocaine, heroin, MDEA (methylenedioxymethamphetamine), methamphetamine ("crystal meth"), and/or their derivatives. Sgt. Cook has been trained how to handle a detector K-9 and read his alerts. According to Sgt. Cook, Puma is a reliable K-9 assist unit.
11. Your Affiant knows based on his training and experience that individuals who regularly handle controlled substances often leave the scent of controlled substances, which narcotic canines are trained to indicate alert, on the box, contents of the box, and/or other packaging material they handle.

12. Based on the information contained herein, your affiant maintains there is probable cause to believe that the U.S. Postal Service Priority Mail parcel bearing label no. 9505511167982126878184 addressed to Donte Smith, 733 Rosswell Ave. Apt. A, Steubenville, OH 43952 return address Jerry Green, 13034 S. Hombre, Bleu Island, IL 60406 contains controlled substances, and/or contraband, in violation of Title 21, United States Code, Sections 841(a)(1) and 843(b).

Bryon Green
United States Postal Inspector

On May 9, 2022 this affidavit was sworn to by the affiant, who did no more than attest to its contents pursuant to Crim. R. 4.1 (b)(2)(A), by telephone after a document was transmitted by email, per Crim R. 4.1.
